*Dear Heavenly Father,
Thank you for godly mothers who give and serve
selflessly day after day.
Please bless them for the important role they play in
the lives of their children.
Just as mothers daily extend grace and
encouragement, Lord, return that grace and
encouragement back to them multiplied.
Help them to give wise counsel, discipline, instruction,
and to raise their children to know and love God.
Thank you for the example mothers are to their
children and to others.
Bless them, their children, and their families
abundantly, and meet their every need.
Please give these women of God health and strength
to care for their loved ones.
Fill their hearts with joy as they go about the
mundane, day-to-day tasks. Carry their burdens,
Lord. When they are weary, lift their spirits and
restore their souls. Help them trust in you and lean on
you alone for strength.
Let godly mothers recognize how important their lives
are to their children and families. May they
understand the vital role God has given them in their
home and in the Kingdom of God. May they know how
much they matter.
In the name of Jesus. Amen.*
