CSA UPDATE:

Well, we are just past the halfway mark of this year's CSA campaign. We got off to a great start, but we have stalled a bit and are still shy about \$3,100.00 of our assigned goal of \$13,188.00. Our parish is responsible for making up the deficit and so we're asking for your help to defray this burden, if you are able. The programs supported by the Catholic Services Appeal are so worthy. If you have already given, thank you so much for your contribution. If not, and you are able, please know that even the smallest contribution will help. You may use the enclosed envelope or give online as explained in the brochure. Thank you so much for helping and may God bless you.
