CSA UPDATE: Inch by inch, we are getting closer to our goal, but we still have a little way to go. Once we attain our assigned goal of \$13,188, we can start adding a little gravy to our mashed potatoes. Remember, anything paid beyond our goal will come back to us in full, but the parish is responsible for any shortfall. We have met about 95% of our goal, so this is very doable with your help! There are envelopes in the back of the church or you can put your donation in the collection basket if you designate it for CSA. Thank you!

Father Terry & The Parish Life Committee would like to thank everyone who planned, set up, served and attended our Bi-Parish picnic this past Saturday.

It was very special to have Bishop McClory join us and celebrate the Mass.

Thank You to all those who brought the delicious food and Maryann Milo, who donated and cooked all of the polish sausage, brats & hot dogs. Also, a Big Thank You to Jim Roper from All Saints, who furnished all of the tasty chicken.

We would also like to thank those who helped and participated in the children's games.

And then, there was the water ball toss in which Father Terry got drenched. His partner may be avoiding him for a little while!! lol

I guess bingo went o.k. I didn't hear of anyone getting hurt!! They were still playing when I left. I just never developed that "bingo gene" in my senior years!!☺
